Direct Answer

Your strongest supplied period for marriage readiness is **26 December 2028 to 28 March 2029**. A second supportive period is **5 October 2029 to 24 January 2030**, though it carries more review and responsibility.

These periods are supportive for commitment and serious relationship decisions, but they do not guarantee a wedding, proposal, or outcome involving another person.

Why Your Chart Says This

Marriage is strongly highlighted natively because Venus, the lord of your Libra Ascendant, is placed in the 7th house. This gives partnership an important place in your life and supports the desire to form a meaningful bond. However, the 7th lord Mars is placed in the 6th house, so lasting partnership may require practical effort, honest handling of disagreements, and attention to daily compatibility.

The clearest timing comes when Mercury Mahadasha moves into Venus Antardasha from **24 November 2028 to 25 September 2031**. Since Venus is placed in your 7th house, this period is more directly connected with marriage matters than the earlier Mercury–Mercury and Mercury–Ketu phases.

Strongest Periods

1. **26 December 2028 to 28 March 2029** — This is the strongest combined window. Jupiter is in Libra, your 1st house, while Saturn is in Aries, your 7th house. Together, they connect personal readiness with serious partnership themes. Jupiter is direct from **26 December 2028 to 10 February 2029**, making this the more action-ready portion. From **11 February 2029 to 28 March 2029**, Jupiter is retrograde in the same supportive sign residence, so the emphasis shifts toward reviewing intentions, expectations, and relationship direction.

2. **5 October 2029 to 24 January 2030** — Venus Antardasha remains active, Jupiter is again in Libra from **25 August 2029 to 24 January 2030**, and Saturn returns to your 7th house from **5 October 2029 to 16 April 2030**. This is supportive, but Saturn is retrograde from **5 October 2029 to 19 January 2030**, making the period slower and more reflective. From **20 January 2030 to 24 January 2030**, Saturn is direct, giving a more action-ready closing phase.

Slower or Watch Period

29 March 2029 to 24 August 2029 is less outwardly clear because Jupiter moves through the 12th house. With Saturn still in the 7th house and Venus Antardasha active, relationship matters remain important, but progress may involve private reflection, adjustment, or resolving practical concerns first.

What You Should Do

- Use the late 2028 to early 2029 period for clear conversations about values, commitment, lifestyle, and shared responsibilities.
- During retrograde phases, revisit concerns patiently rather than treating delay as a final answer.
- Judge readiness through consistent real-life compatibility, not timing alone.

Bottom Line

The strongest marriage-supportive period is **26 December 2028 to 28 March 2029**, followed by **5 October 2029 to 24 January 2030**. These are your best supplied windows for serious commitment decisions, with personal choice and circumstances still decisive.
